

## Remarks

Claims 1-36 remain in the application.

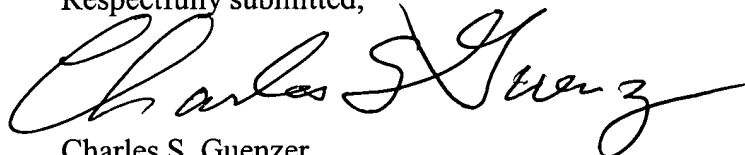

The specification and Claim 1 have been corrected for editorial and technical errors discovered in a review of the application after its filing. Support for the revised dimensions in the summary on page 5 is found in the detailed description at page 7, line 27 and page 8, line 6 as well as the mathematical inconsistency of the passage as originally submitted.

New dependent Claims 33-36 require stamping the mateable can members of Claim 14 from blanks.

Early examination and allowance of all claims are respectfully requested. If the Examiner believes that a telephone interview would be helpful, he is invited to contact the undersigned attorney at the listed telephone number, which is on California time.
